MEASURES FOR A SAFE STAY

SALLÉS
HOTELS

Your right to 100% safe experiences

At SALLÉS HOTELS, because we are a family business, we know very well that you are not always looking for the same thing, that you want new experiences, different experiences ... but that you like to feel at home wherever you are.

Our chain wants to offer confidence and security through the care and well-being of its guests and employees, respecting at all times the type of stay that each of our clients wishes to have with all the tranquility they deserve.

With this objective, we have completed the measures related to hygiene, sustainability, social commitment, technology and well-being that we have already developed and implemented over the course of our history, with all of which we now demand to respond with complete safety to the current situation..

The experiences you want to live are waiting for you and now is a good time to imagine and plan them with total calm and confidence!

Hotel Cala del Pi guarantees and certifies the implementation of the Health Risk Prevention System against COVID-19 by means of the SAFE TOURISM CERTIFIED label.
